

TB Centre members presenting at Union

@LSHTM_TB

The 48th Union World Conference on Lung Health is being held in Guadalajara, Mexico, from 11–14 October 2017, and TB Centre members at the London School of Hygiene & Tropical Medicine have various posters, oral presentations and will be speaking at symposia.

Thursday 12 October

| Lead author | Title | Type | Abstract number | Time | Venue |
|--|---|---------------------|-----------------|-------------|----------------------------------|
| <i>Afifah Rahman-Shepherd</i> | How does the motivation of community healthcare workers compare with the community's healthcare-seeking experiences? A qualitative study in peri-urban and rural Cambodia | Short Oral Abstract | SOA-320-12 | 10:30-12:00 | Hall 11 <i>Jalisco Hall</i> |
| <i>Yoko Laurence (presented by Philip Hill)</i> | Costs per accurate diagnosis of bi-directional screening in Indonesia and Romania: integrating tuberculosis and diabetes services | Oral Abstract | OA-126-12 | 11:00-11:10 | Hall 14 <i>Jalisco Hall</i> |
| <i>Daniel Carter</i> | Quantifying the impact of Sustainable Development Goal 1 on TB: a statistical exploration | Short Oral Abstract | SOA-363-12 | 16:00-17:45 | Hall 2 <i>Events Ballroom</i> |
| <i>Sean Cavany</i> | Should we screen contacts of non-pulmonary TB cases? | Short Oral Abstract | SOA-389-12 | 16:00-17:30 | Hall 13 <i>Jalisco Hall</i> |
| <i>Piotr Hippner (presented by Tom Sumner)</i> | The use of sub-national TB modelling to inform decision making in South Africa | Short Oral Abstract | SOA-366-12 | 16:00-17:30 | Hall 2 <i>Events Ballroom</i> |
| <i>Nicky McCreesh</i> | Why does a high proportion of Mycobacterium tuberculosis transmission occur outside households and known social contacts in high incidence settings? | Short Oral Abstract | SOA-382-12 | 16:00-17:30 | Hall 9 <i>Jalisco Hall</i> |
| <i>Cicilia Gita Parwati (presented by Rein Houben)</i> | Understanding tuberculosis health system performance in Indonesia through subnational incidence estimation for 514 districts | Short Oral Abstract | SOA-379-12 | 16:00-17:30 | Hall 9 <i>Jalisco Hall</i> |

Presentations in collaboration with David Moore: symposium, 14:00-15:30, Hall 2 (Events Ballroom). Symposium title: Experiencia de investigación operativa en tuberculosis en Perú, impulsando la estrategia end TB: investigación intensificada e innovación. Presenters: Alberto Mendoza, Antonieta Alarcon, Jose Cornejo, George Obregon.

Times subject to change. Please check conference programme to confirm session times.

Friday 13 October

| Lead author | Title | Type | Abstract number | Time | Venue |
|---|---|---------------------|------------------|-------------|----------------------------------|
| <i>Finn McQuaid</i> | Country-level TB modelling guidance | Oral Abstract | A-911-0000-02594 | 11:15-11:30 | Hall 10 <i>Jalisco Hall</i> |
| <i>Mishal Khan</i> | Designing evaluation studies to optimally inform policy: factors to consider when making resource allocation decisions for health worker training program | Poster Discussion | PD-773-13 | 12:45-13:45 | Poster area |
| <i>Katherine Horton</i> (presented by <i>Rein Houben</i>) | Gender disparities in timely access to tuberculosis treatment in Viet Nam and Malawi | Poster Discussion | PD-857-13 | 12:45-13:45 | Poster area |
| <i>Jose Cornejo</i> | Tratamiento para tuberculosis resistente a isoniacida no multidrogorresistente en el Perú, 2012—2014 | Short Oral Abstract | SOA-423-13 | 15:10-15:20 | Hall 14 <i>Jalisco Hall</i> |
| <i>Tom Sumner</i> | Incorporating resource constraints into mathematical models of TB: an example of case finding in South Africa | Oral Abstract | OA-184-13 | 16:00-17:30 | Hall 10 <i>Jalisco Hall</i> |
| <i>Rebecca Harris</i> (presented by <i>Partho Roy</i>) | Recommended age of BCG vaccination - Modelling the impact on global paediatric TB mortality | Oral Presentation | OA-2911-13 | 16:00-17:30 | Hall 7 <i>Events Ballroom</i> |

Times subject to change. Please check conference programme to confirm session times.

Saturday 14 October

| Lead author | Title | Type | Abstract number | Time | Venue |
|--------------------------|---|---------------------|-----------------|-------------|----------------------------------|
| <i>Mishal Khan</i> | Evaluation of training programs to improve human resource capacity for HIV, malaria and TB control: systematic review of methods and outcomes | Oral Abstract | OA-215-14 | 10:30-12:00 | Hall 3 <i>Events Ballroom</i> |
| <i>Fiammetta Bozzani</i> | Estimation of resource constraints in the scale-up of intensified case finding in South Africa | Short Oral Abstract | SOA-445-14 | 10:30-12:00 | Hall 4 <i>Events Ballroom</i> |
| <i>Daniel Carter</i> | The effect of Bolsa Familia on the tuberculosis cure rate in Brazil: a propensity score matched analysis | Poster Discussion | PD-869-14 | 12:45-13:45 | Poster Area |
| <i>Rebecca Harris</i> | Maximising impact of the TB vaccine pipeline: mathematical modelling to inform target product profiles using China as a case study | Poster Discussion | PD-902-14 | 12.45-13.45 | Poster Area |
| <i>William Rudgard</i> | During-treatment catastrophic costs for drug-resistant tuberculosis patients with and without social protection: a patient survey in Rio de Janeiro, Brazil | Poster Discussion | PD-887-14 | 12:45-13:45 | Poster Area |
| <i>Lisa Stockdale</i> | Association of human cytomegalovirus infection with anti-mycobacterial antibodies and tuberculosis | Poster Discussion | PD-898-14 | 12:45-13:45 | Poster Area |

Presentation in collaboration with David Moore: short oral abstract, 14:00-15:30, Hall 6 (Events Ballroom). Title: Experiencia del uso del portalab MODS para el diagnóstico de TB y TB-MDR en la sierra y selva central de Junín- Perú. Presenter: Jorge Coronel.

Times subject to change. Please check conference programme to confirm session times.
